SUBSTANCE OF INTERVIEW

To: MS: Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

From: David S. Lee
Customer No. 22971

Sir:

In connection with the above-identified application and in compliance with the requirements of MPEP §713.04 and 37 CFR §1.133(b), the Applicant hereby submits a Substance of Interview. The Substance of Interview is further submitted in response to the Interview Summary issued by the Examiner on February 3, 2005, subsequent to the telephone interview of January 25, 2005, with the Applicant's undersigned attorney.

SUBSTANCE OF INTERVIEW

The Interview Summary states the following:

1. The advisory action mailed on 12/30/2004 was discussed. Mr. Lee was informed that claims 12-15, submitted in an after final amendment on 10/6/2004, should be in condition for allowance, subject to approval by a primary examiner, if the deficiencies noted in the advisory action were corrected and resubmitted.

2. Mr. Lee was also advised to amend claim 14 differently that was previously advised in the advisory action. The newly recommended amendment to claim 14 follows: In lines 25-26 of claim 14, insert "of the rollover component" after "imposing a window on the range of possible values."

3. Mr. Lee agreed to submit the proposed amendments in writing.

REMARKS

The Applicant wishes to, again, thank Examiner Aaron Strange for the courtesy and cooperation extended towards the Applicant's undersigned attorney during the prosecution of the present application.

As the Applicant's undersigned attorney confirmed with Examiner Strange during a follow-up telephone conversation on February 25, 2004, the Applicant has already submitted the necessary amendments, referenced in the Interview Summary and above in the Substance of Interview, to place Claims 12-15 in condition for allowance. More specifically, the amendments were submitted in a Response on January 26, 2005.

It is now believed that Claims 12-15 are in condition for allowance, and therefore early and forthright issuance of a Notice to that effect is earnestly solicited.

Respectfully Submitted,
Microsoft Corporation

February 25, 2005
